

STOLEN FUTURES

internally displaced & refugee children

Refugees, asylum seekers and migrants put their lives at risk to reach European shores. However, the media does little to explain the forces fuelling this displacement: destruction of infrastructure, economic sanctions, armed militias, dismantling of public services and seizing of natural resources by corporations. **Jo Baker**, coordinator of **Child Victims of War**, will talk about the reality of displaced children and their urgent needs.

Thursday 30 June 7.30pm
